## Senior M.A.P.P. Summer Reading

May 11, 2018

Dear Families,

Greetings! This letter is to inform all new and returning Sr. M.A.P.P. students that summer reading requirements are due by Friday, August 17th at 5 P.M. **Rising Sr. M.A.P.P. students are required to read and take quizzes for a minimum of three AR books over the summer, including one of the following Roald Dahl books: *The Magic Finger, Fantastic Mr. Fox, or Matilda.*** I recommend that students read this book last; we will use it in discussions and activities during review and pretesting. The other two books can be any AR book that is on or above grade level as long as the subject is age-appropriate. (Keep in mind that AR levels are based on vocabulary and sentence structure rather than content, so you will need to determine if a book is appropriate for your child.) Please check [www.arbookfind.com](http://www.arbookfind.com) to make sure there is an AR quiz for the chosen books.

**For students new to Camelot or Sr. M.A.P.P.:** AR is short for Accelerated Reading. Beginning in the third grade, students are required to read and take quizzes on AR books over the summer and throughout the school year. Sr. M.A.P.P. students are required to read three AR books over the summer and one AR book per Modules 1-9 for a total of twelve AR books by the end of the school year. Students should select books at or above their grade level, which is indicated by the AR Level of the book (3.0 for beginning of third grade, 3.5 for middle of third grade, etc.) Reading should be done at home, but all AR quizzes are taken at Camelot Academy. If your child does not pass the quiz with at least 80%, he or she must reread the book and try again on a different day. Students are unable to retake a quiz unless an administrator has cleared their record. If you need any assistance, please call our Admissions Director, Scott Mitchell, who will help you set up a time to take a quiz or delete any failed quizzes.

Students may come to Camelot at any time over the summer to take AR quizzes, except when school is closed for break (June 25th – July 6th). Students who do not complete AR summer reading requirements will need to make after school arrangements beginning on Monday, August 27th to complete all reading and quizzes. After School fees are outlined in your Family Handbook.

**Please sign the second page** to indicate that you understand this information for summer reading requirements. **Return to Ms. Amanda by Monday, May 14th, 2018.**

Have a great summer of reading!

Ms. Amanda Fox

# 2018 SR. M.A.P.P. SUMMER READING AGREEMENT

We understand the summer reading requirements for rising Sr. M.A.P.P. students and agree to complete them on or before August 17th. If we do not complete all three AR quizzes prior to the deadline, we understand that our child will be required to complete the requirements after school for a fee.

**Return this signed page by Monday, May 14<sup>th</sup>.** Keep the letter and the lists for reference.
