Please complete the following information to help us understand why you think this program is for you.

1) Please briefly describe why this program is interesting to you.

2) Is there a particular aspect of the world that interests you? For example, a region, culture or issue. Please explain.

3) Please describe what you envision yourself doing in the program:

- What type of volunteering would be of interest to you?
- What global topics would you be interested in exploring in projects?
- What kinds of activities do you hope the program will run?
- How do you imagine yourself growing as a result of this program?

4) What 'global' experiences have you had previously? Examples include certain travel, volunteering, topics of study, etc.

5) What did you take from the experiences you described in the previous question? Do you feel that it changed you or how you see the world in some way?

6) How do you envision interacting with current program participants? If we were to team you up with a current program participant, what would you like to do together?

7) This program will require some time from you throughout its completion. When do you envision having time to complete activities such as projects, volunteering and cultural experiences?

8) We will hold a summer orientation on June 10 & 11, 2019. Attendance is required for program participants. Are you able to commit to attending on both of these dates?

9) We would likely need to meet with you occasionally, or perhaps plan a special speaker or activity from time to time. What is your availability...

After school?

On weekends?

In the summer?
